Pratim Biswas

Technical Program Co-Chairs: C.Y. Wu & Brent Williams

IAC 2018 will be the world's largest gathering of aerosol scientists and engineers to discuss the latest and greatest in the field of aerosol science and technology. Several innovative programming aspects related to energy, environment (air quality), materials science, health, atmospheric sciences, and climate change will be featured. Please mark the dates and plan to be in the heartland of the USA in September 2018.
